

HOW TO MEASURE YOUR WINDOW PELMET AND CURTAIN LENGTH SIZE

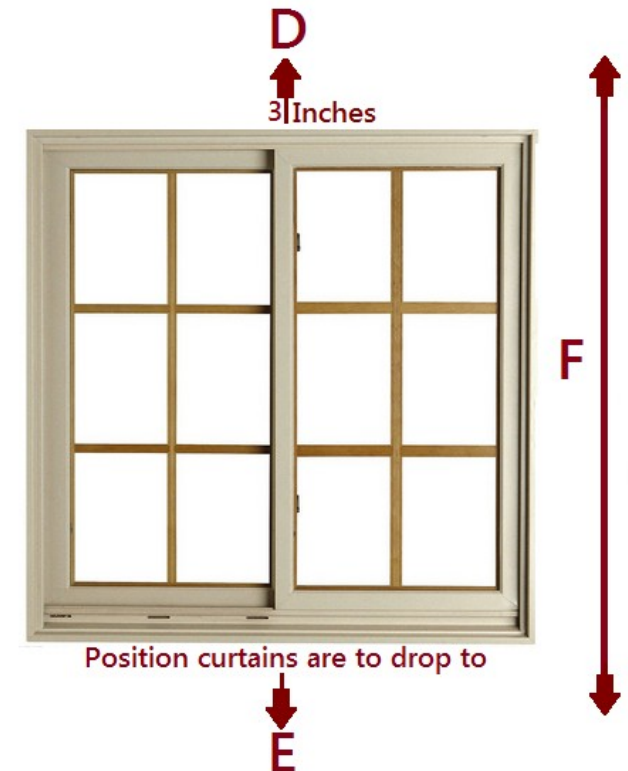

Pelmet Width

1. Measure 6 inches from the left of your window (A)
2. Measure 6 inches from the right of your window (B)
3. The Pelmet measurement is from Point A to Point B (C)

Curtain Length

1. Measure 3 inches from the top of your window (D)
2. Measure to the point where you want your curtains to drop to (E)
3. The Curtain length is from Point D to Point E (F)
